Canadian Cancer Society *Relay for Life* is an opportunity to get together with friends and family and celebrate survivors, remember loved ones lost, and to fight back in hope of finding a cure for this terrible disease.

*Relay* is a fun and fulfilling event. Your participation gives strength to our mission to eradicate cancer. Walk with us in this inspirational 12-hour overnight event as we come together and fight to make cancer history.

Assumption College will be running their fifth *Relay for Life* on Friday evening, May 29<sup>th</sup> 2009. Start time is approximately 5 pm and will end at 7 am Saturday morning. After four *Relays*, we have managed to collect close to \$200 000, and our goal is set high again this year. Every participant is asked to register for the event sometime in February. There is a \$10 registration fee to offset the school and Canadian Cancer Society's cost for running the event. Eventually all participants will be asked to try and raise \$100 of pledges, all of which is donated towards the cause.

Join the biggest event of the school year to make the biggest difference.

celebrate

Celebrate the lives of people who have battled cancer. Cancer survivors join together at *Relay For Life* to walk the Survivors' Victory Lap - the first lap of the event. Their strength and courage gives hope to others.

remember

Remember loved ones lost to the disease. At *Relay For Life*, luminaries are lit during a moving ceremony at dusk. Their light pays tribute to loved ones and provides inspiration to participants all night long.

fight back

We *Relay* because we have been touched by cancer and desperately want to put an end to the disease. It's an opportunity for you to make a personal contribution and take action.
