### **PICK UP AND DROP OFF OF STUDENTS**

- Should it become necessary for you to drop off or pick up your child at school, please use the student parking lot side of the school.

### **HOW DOES A TYPICAL DAY RUN?**

- At 8:40 a.m., a warning bell rings and that is your cue to proceed to classes.
- At 8:50 a.m., a second bell rings and the expectation is that all students are in class.

**ALL STUDENTS ARE TO BE IN THEIR CLASSROOM BY THAT SECOND BELL – PREPARED TO WORK – OR THEY ARE CONSIDERED LATE.**

- The school day begins by honouring our country by standing for **O Canada** and morning prayers which include special intentions.
- Normally students have 5 minutes travel time between classes.
- Lunch periods are 50 minutes in length.

The school day ends at 3:00 p.m. and buses depart continuously until 4:00 p.m.

### CHANGES IN THE SCHEDULE FOR THE DAY

- Some events in our school community warrant a change in schedule.
- Teachers advise students of these changes and generally post the new times in the classroom.

### VACATION TIME FOR STUDENTS AND THEIR FAMILIES

- While we fully support quality family time, taking students on vacation during school time is greatly discouraged.
- Research shows that students who miss a number of classes over a semester often seriously compromise their success in school.
- A Request for Temporary Absence form is to be completed if a student is going to be absent for 5 days or longer. The form must include departure date, return date and reason for absence and be delivered to the Vice Principal.

### ATTENDANCE

- We are aware that occasional absences from school cannot be avoided due to illness or necessary appointments.
- If your son or daughter is **NOT** going to be at school for any reason, please call the Attendance Office prior to 8:45 a.m. Here is the procedure for reporting an absence:
  - ✓ Call the school at **519-751-2030**

- The above procedure is available 24 hours a day.
- Student Information Sheet must be updated as required: new address, telephone, emergency contact information. Requests for change of address, phone number, emergency contacts, etc., must be provided in writing, with parent/guardian signature, to the Main Office. The school is not permitted to provide information to anyone who is not listed in our system as a contact for that student.

### PLEASE NOTE:

- All student absences must be excused by a parent/guardian in order for the student to return to classes following an absence.
- Signing-in – If a student is more than 10 minutes late for school, the student is to go to the Attendance Office to record their name on the "Sign-in Sheet" and a phone call will be placed to the parent/guardian by the student (unless a parent note is provided). Students who are less than 10 minutes late, without a valid reason, will be recorded as Unexcused Late by their teacher. Parent/guardian contact will be made after 3, 5, and 7 unexcused lates. A suspension may occur when a student has reached 7 unexcused lates in a class.

- Signing-out – If a student needs to sign-out, due to an appointment or illness, a phone call or a note must be provided by a parent/guardian. Students must record their name on the “Sign-out Sheet” in the Attendance Office, during non-class time. An Early Release Slip will be provided to the student to advise the teacher of the early dismissal time. Students returning to school after an appointment must note the Return to School time on the “Sign-out Sheet”.

They shall participate, even if only through respectful silence in our morning prayers, O Canada and other prayerful gatherings.
- All students are welcome to join the Ministry Teams in leading our morning prayers and Liturgies that reflect our Catholic Christian traditions.
- The Sacrament of Reconciliation is available during Advent and Lent.
- These special moments help us to focus not only on our faith but also on our lives.
- Regardless of the students' beliefs, your son or daughter can benefit from these celebrations of faith and reflections throughout the school year.
- In today's world it is important to focus on messages of hope, forgiveness, redemption, joy and healing.

- The expectation is that students will respect themselves, others, all school regulations including those governing uniform and the building.

The Assumption Book Club meets every Monday during both lunches in the library. Any school clubs can book a meeting room space in the library.

### **PERSONAL ELECTRONIC DEVICES**

As the use of technology in education becomes more prevalent, the effective use of electronic devices in classrooms will be closely monitored by teachers. Classroom use of such devices will be at the discretion of the teacher. Should a cell phone or electronic device be brought to the Vice-Principal's office, it may be picked up at the end of the instructional day. Upon a second infraction, a parent may be required to retrieve the item.

Bring Your Own Device (BYOD): In our schools, students will see teachers using technology to support, enhance, and redesign their instructional practices to improve student learning. Many of the new opportunities that students will be engaging in exist in the digital environment of the Internet. When working and interacting in the digital environment of the Internet, it is important that all users understand that their actions impact others, just like in the physical world. When people interact with others, they share themselves, their view of the world, their hopes, and their ideals. When students make use of digital resources, it is expected that their actions will be honest, open, responsible, and respectful of others and consistent with the mission and vision of Catholic education. As Catholic learners, our students must always act in accordance with the Board's Catholic Code of Conduct regardless of whether they are interacting in the digital or physical world. For more information please see the school board's policy on digital resources at
