

RETREAT

A retreat is an opportunity
for encounter with God,
others and self.

ACS Retreat Program

Students have opportunities to attend various retreats in which our programs are inclusive and welcome all students. Retreats are a benefit to all students in their personal and spiritual growth and development. Our retreat programs are consistent with the life and mission of the Catholic Church.

180 Team

Spread Kindness Everywhere!

ALL students from grades 9 through 12 are invited to join the 180 Team. They are a group of students who want to develop leadership skills and to make a difference in our school, community, and world. They are provided with opportunities to share their gifts and talents in the school through involvement with activities such as social justice and charity projects, random acts of kindness, attending student conferences, and leading retreats. These student leaders are an integral thread woven into the fabric of our community.

The Road to Emmaus Luke 24: 13-35

‘Jesus is always beside us to give us hope, to warm our heart and say: ‘Go on, I am with you. Go on’’
- Pope Francis

“The words of the Emmaus story will guide and shape the school’s pastoral plan for the 2018-2020 school years. Strategies will be set in place to bring about a reflection and implementation of our School Board theme. The pastoral plan of Assumption College School for the school year is found on the school’s website.
