Creating an  
Inclusive  
Catholic School  
Community

We are all  
uniquely  
gifted  
human  
beings

*"We, who are  
many, are one...  
and individually  
we are members  
one of another.  
We have gifts that  
differ according  
to the grace  
given to us."*

St. Paul's Letter: Romans 12:4-6

This passage is about using the gifts, talents and opportunities that God has given us. We are all interconnected to one another in one human family and we are called to use our unique gifts and talents to work together for the betterment of each other and our community! Diversity in unity goes together. We have unity in our wonderfully diverse Catholic school community.

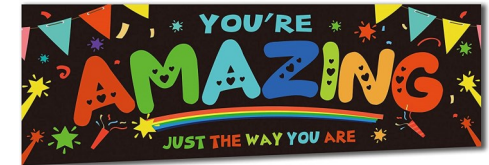

## 180 Team

ALL students from Grade 9 through to Grade 12 are welcome and invited to join the 180 Team. ***"The 180 Team is where you can grow as a leader and individual in a fun and social, faith-based environment. You have the opportunity to make a difference in our school, community, and world-wide."*** (ACS alumni Hannah) Students are provided with opportunities to share their gifts and talents in the school through involvement with activities such as social justice and charity projects, cultural celebration, volunteering in the community, attending student learning and leadership conferences, and leading Grade 9 activities. The 180 Team is an integral thread woven into the fabric of our school community.

## Grade 9 Mini - Retreats

Our Grade 9 students will get to experience mini-retreats with their religion class. These two engaging sessions include community-building games and interactive group activities that are welcoming and inclusive of all our students created to foster a sense of belonging and friendship and to plant seeds of personal growth. The mini-retreats are lead by some awesome older student retreat leaders along with the chaplain. The overall theme for the Grade 9 mini-retreats is:
