

Dear Parent/Guardian,

Due to insufficient numbers and increasing concerns, auditions for the "Addams Family Musical" are cancelled. The show will be postponed until 2022.

We understand this is very upsetting considering the countless hours that went into preparing for the auditions. We want to thank you for this.

The good news is there are a team of staff members who are willing to support, supervise and create a show through a different means. Something modern, something new, something YOU.

Those still interested in presenting a musical for this year are asked to come to a meeting on **Thursday, Sept. 17 from 3-4p.m.** in the drama room. Please see Mrs. Ratelband or Mrs. Boschman for more information.

With hope,

The Musical Team
