MISSION STATEMENT**

**Assumption College School
is our Catholic learning community
where we strive for excellence
and we work to become respectful,
responsible individuals
who are ready to serve our world
in the spirit of Christ.**

Assumption College School is a Catholic learning community. The community consists of students, faculty, staff and parents, all sharing a common vision – a vision based on Catholic values and practices. As lifelong learners, we strive to achieve excellence. We recognize that as we journey together as Christians, we promote mutual respect and we serve the needs of each other. This perception of ourselves creates a community which respects the rights and responsibilities of each of its members.

The administration of Assumption College School extends an open invitation to all parents, guardians and students to discuss problems which may arise from time to time concerning the behavioural expectations of the school community. It will always be the intent of our school to seek the cooperation of staff, students and parents as we find solutions which will meet the needs of each individual.

Message from the Director of Education

Hearts on Fire – Transform

Message to Families,

At the Brant Haldimand Norfolk Catholic District School Board, we endeavour to provide the highest quality education for your child – and believe that the journey is a shared experience of encounter involving the home, school and parish. As we continue our history of excellence in student achievement, we do so in an inclusive environment that values the voice of our parents and community and that encourages participation through input and collaboration. Your local Catholic School Advisory Council and the Regional Catholic Parent Involvement Committee are both ways to become involved. It is a great honour to be entrusted with the education of your child throughout his/her journey. Working together, we can ensure high levels of academic excellence, as well as the successful completion of the Ontario Catholic School Graduate Expectations.

Yours in Christ,
Mike McDonald

**CHAPLAINCY:
CREATING AN INCLUSIVE CATHOLIC SCHOOL COMMUNITY**

School Chaplaincy Leader – Ms. Debra Sheldrake, ext. 259

For as in one body we have many members, and not all the members have the same function, so we, who are many, are one body in Christ, and individually we are members one of another. We have gifts that differ according to the grace given to us.” (St. Paul’s Letter to the Romans 12:4-6). This passage speaks about sharing the amazing gifts, talents, abilities, and opportunities that God has blessed each one of us with. We are all interconnected to one another and we are called to use our unique gifts and work together for the benefit of each other, our community, and the world. God created you as you are and loves you as you are! Diversity and unity go together, we have unity in our diversity in belonging to one human family.

Chaplaincy nurtures a caring inclusive environment where all students are welcome and diversity is respected and celebrated; to build healthy, supportive relationships among the students and staff of the school community where the love and example of Christ is passed on through these relationships and the various activities and initiatives that are offered with the leadership of the chaplain. Chaplaincy provides many opportunities to all students for personal and spiritual growth and for leadership and friendship, such as retreats, student conferences, social justice and charity outreach, community-building activities, monthly gatherings, and prayer. Need to talk? Confidential pastoral support for students and staff in their spiritual lives and comfort in times of bereavement and personal crisis is also an important ministry of chaplaincy. The chaplain offers a safe and welcoming space for all students who are looking for a place to just be your awesome self and discover who God created you to be.

Our focus is on changing inappropriate, self-destructive and unsafe conduct within a progressive framework. The following chart lists offences and the accompanying level of consequence.

The following infractions will result in interventions designed to change the behaviour. The interventions may include a teacher-student conference, teacher-parent contact, involvement of a vice principal, counseling and study hall. If the behaviour is not changed after reasonable interventions, a suspension will be imposed. The details of each category are listed on the pages provided.

ATTENDANCE

The Ministry of Education states that attendance in classes is mandatory and that a student is excused from school only by reason of sickness or other unavoidable causes. It is our strong belief that parents should only excuse an absence when absolutely necessary. Consistent attendance is essential to student success.

All missed class work and assignments must be completed. **NOTE: These practices are essential to effectively monitor student attendance and to provide accurate attendance information on which to base the daily automated phone calls.*

GENERAL INFORMATION

1. Students are to be in homeroom at **8:50 am**
2. Absences must be reported by a parent or guardian, prior to 8:45am
3. **In a situation where a student does not provide parent contact or a note, or parent has not called, the student will be required to call home before the student will be permitted to resume classes**
4. An automated phone message will be sent to the home to advise the parent/guardian of an unexplained absence
5. Absences for such things as haircuts, concerts, early vacations, studying or part-time jobs are NOT considered unavoidable and, therefore, are NOT excused. Teachers will not be expected to provide homework in such cases.

ABSENCES FROM SCHOOL

Parents are expected to inform the School of an intended absence **prior to 8:45 am**

1. Phone: 519-751-2030 ext. 227 (this line is available 24 hours a day, 7 days a week)
2. In the event that a parent has not reported the absence, a note must be provided upon student return.
3. Students who are 18 years of age may excuse themselves. However absences will be recorded as "Truant" (unexplained absence) unless they can provide proof of a valid reason for missing classes (ie. Appt. slip)

NOTE: The student will be recorded as unexcused, until the absence has been explained.

SIGNING OUT DURING THE DAY: (for illness or appointments only)

1. Provide notice in writing or by phone to the attendance office before 8:45 am
2. Students must record their name and departure time on the "**Sign-Out Sheet**" in the attendance office. A Release Slip will be issued.
3. Students must be off school property immediately after sign out time or wait in the office until parent arrives.

NOTE: Absences not handled in this manner will be recorded as "Truant"

SIGNING IN DURING THE DAY: (for illness or appointments only)

1. Provide parental consent in writing or by phone to the attendance office
2. Student must record their name and arrival time on the "**Sign-In Sheet**" in the attendance office immediately upon arrival. An Admit Slip will be issued.

LATES: Late-to-class is defined when the student does not arrive on time and prepared for class. Seven (7) lates may result in administrative discipline, including, suspension.

EXTENDED ABSENCES FOR STUDENTS

1. While we fully support quality family time, taking students out of school for extended absences during school time is greatly discouraged.
2. Research shows that students who miss several classes over a semester often seriously compromise their success in school.

A Request for Temporary Absence form is to be completed if a student is going to be absent for 5 days or longer. The form must include the departure date, the end date, and the reason for the absence, and be delivered to the Vice Principal for signature.

FARM RELATED ABSENCES:

Farm contracts are available in the attendance office. Students and parents must advise a Vice Principal, in advance, detailing the length of the absence.

Upon a second infraction, a parent may be required to retrieve the item.

ONLINE ETIQUETTE

A friendly reminder that all online communication is expected to be respectful and appropriate. At BHNCDSB we encourage staff, students and parents to T.H.I.N.K. Before you post/tweet/reply ask yourself: Is it TRUE? Is it HURTFUL? Is it ILLEGAL? Is it NECESSARY? Is it KIND?

Assumption College's Academic Dishonesty Policy reflects a continuum of behavioural and academic responses and consequences, based on at least the following four factors:

1. the grade level of the student,
2. the maturity of the student,
3. the number and frequency of incidents, and
4. the individual circumstances of the student.

If a teacher suspects academic dishonesty, the teacher will follow this procedure:

1. Consult with the Department Head to determine if there are sufficient grounds to proceed
2. If there are sufficient grounds, discuss the matter with the student and allow the student to provide explanation
3. Consult an administrator to determine whether there should be a consequence and what an appropriate consequence would be for the infraction
4. Inform both the student and the parent of the consequence

If a student is uncertain whether his/her efforts might constitute academic dishonesty, it is the responsibility of the student to check with the teacher before completing and submitting his/her assignment for evaluation.

ATHLETICS

As a representative of our school, there are some guidelines to follow:

1. Academics are your first concern. When missing class due to competition you are responsible for checking with teachers and completing missed work on time. Do not allow your involvement in athletics to have a detrimental effect on your class work.
2. Punctual and regular attendance at practices and games is mandatory – you owe it to your coach(es), your teammates and yourself.
3. Playing time during games will be at the discretion of the team's coach(es). Factors such as attendance at school and practices, behavior on and of the playing field, effort, commitment, and skill level are considered. There may be times when players do not receive "playing time."
4. In order to participate on a specific game day, players must be in attendance at school for all classes. Players must participate fully in Physical Education classes on game days.
5. Dismissal from class for games, meets will vary from team to team. Your coaches will notify you of your team's dismissal times for all games at the beginning of the season. Please be quiet when in the hallways, as classes may still be in progress.
6. Your complete team uniform will be worn for (and only for) all games, meets.
7. Uniforms will be signed out through the School Team uniform shop, via your coach. Each uniform will require a deposit. This will be returned when, at your season's end, your uniform is returned on time, clean and in good repair. Failure to do so will result in your deposit being withheld. Your uniform is your responsibility. Players will be charged replacement costs for lost or damaged uniforms. Please note: If, for whatever reason, an athlete leaves or is dismissed from a team in mid-season, their uniform must be returned immediately.
8. Consumption of alcohol or drugs, smoking, or vaping is forbidden at any time on any school premises or at any school sponsored event, including weekend tournaments.
10. One of the goals of the Athletic Department is to instill important life values such as commitment and perseverance. It is unfair to teammates and coaches to leave a team in mid-season. It is also unfair to aspiring players who have failed to earn a place on that team. Athletes that quit or are removed from a team may be ineligible to play other school teams for the remainder of the year.
11. Exemplary behavior in our school community and when outside the school setting is essential. Let us set the standard by which others wish to be measured. The Assumption College School Lions has developed a rich and proud tradition, which we expect you will carry on with PRIDE.
12. Athletes are "Ambassadors" of Assumption College School especially with respect to their attendance, academic achievement and promotion of gospel values. In particular, ACS athletes acknowledge and abide by the core value of the inherent dignity of all regardless of one's capacity and skill to achieve. ACS coaches and athletes endorse, practice and accept accountability to promote a safe and welcoming climate where any attempts to bully or harass another will not be tolerated.

TEAM UNIFORMS

All team uniforms must be returned at the end of each season. If these uniforms are lost or damaged, the student **must make restitution. Failure to do so may result in the student being prohibited from obtaining new textbooks, timetables, playing on school teams, and participating in and/or attending any extra-curricular school activities (i.e. dances, sporting events, etc.)** Parents who wish to make repayment arrangements are asked to contact an administrator at 519-751-2030.

All accidents, regardless of severity, either personal or property, must be reported to the Main Office immediately through this standardized procedure:

1. Accident is reported to staff member. Immediate assessment is made regarding need for medical attention
2. **Minor Injury:** student is accompanied to Main Office. Parental contact is made
3. **More serious injury:** first aid trained staff member(s) attend(s) to student while office staff makes parental contact
4. **Serious injury requiring evaluation/treatment by a doctor:** student will be transported by ambulance only to the Brantford General Hospital. Parent will be advised to meet there.
5. In all cases, full documentation of the details of the accident are recorded.
