

RETREAT

A retreat is an opportunity
for encounter with God,
others and self.

ACS Retreat Program

Students have opportunities to attend various retreats in which our programs are inclusive and welcome all students. Retreats are a benefit to all students in their personal and spiritual growth and development. Our retreat programs are consistent with the life and mission of the Catholic Church.

180 Chaplaincy Team

ALL students from grades 9 through 12 are invited to join the 180 Team. They are a group of students who see themselves as faith leaders and receive on-going support and guidance from the chaplaincy leader in the area of Christian leadership formation. They are provided with opportunities to live out their faith and share their gifts in leading the faith life of the school through involvement with activities such as social justice and charity projects, prayer, Mass, and leading retreats. These student faith leaders are an integral thread woven into the fabric of our community.

Micah 6:8
Act justly, love tenderly, and walk
humbly with our God!

*“An authentic faith always implies a deep
desire to change the world”*

Pope Francis,
Homily to the Church of Gesù, March 1, 2014

Micah 6:8 asks us to act justly, love tenderly, and walk humbly with our God. This is indeed a call to change the world – to be the hands and feet of Christ. The words of Micah will guide and shape the school’s pastoral plan for the 2015-2018 school years. Strategies will be set in place to bring about a reflection and implementation of our School Board theme. The pastoral plan of Assumption College School for the school year is found on the school’s website.
