

COMPREHENSIVE CATHOLIC HIGH SCHOOL CHAPLAINCY MINISTRY

There are many pathways to Christ and a comprehensive high school chaplaincy ministry offers faith opportunities in several areas which Chaplaincy Leader takes leadership of:

- *Pastoral Team - Prayer, Liturgy, and Sacraments* - we pray in times of sorrow and joy, of disappointment and celebration, of difficulty and success
- *Justice, Charity and Service projects* - transforming culture in light of the Gospel
- *Pastoral Care* – providing spiritual direction and pastoral support
- *Ministry of Presence* – being present, available, and visible in the school community providing witness to the Spirit of the Gospel by example
- *Faith Formation and Leadership Development*- identifying and calling forth of gifts and charisms of students and staff and creating an environment that nourishes and encourages ministry leadership within the Catholic community
- *Catechesis* – learning about our faith helps us grow and deepen our faith in order to inspire an active lived faith
- *Evangelization* – bringing the peace and joy of the Gospel into every situation so others may be drawn to Christ
- *Faith Community and Hospitality* – creating a safe and caring inclusive environment where all are welcome and diversity is celebrated
- *Retreats* – bringing reflection to bear on issues facing youth, the school community or the world around it through the lens of our Catholic faith
- *Faith Connections and Partnerships* with the local diocese, parish & feeder schools
- *Collaboration* and sharing of best practices with other chaplaincy leaders and school board faith leadership
- *Fostering a Culture of Vocation* - God calls each one of us to a deeper relationship
