SCHOOL CLIMATE SURVEY

We would like to thank our students, parents, staff and school community for taking part in our school climate survey. By providing us with information that is important to you, particularly in the areas of school safety, inclusive education and mental-health and well-being, you effectively helped guide school planning. Together, you identified what we do well, where we could improve and what your priorities are. Here is how your feedback is making a difference.

The survey questions that we asked:

1. What are your thoughts on your school meeting the educational needs of all of its students?
2. What are your thoughts on your school's safety?
3. What are your thoughts on how student mental health and well-being is supported in your school?

Top feedback 'themes' that we heard are important to you:

- Continuing to Build an Inclusive Community
- Special Needs/Exceptionalities
- Mental Health and Well-Being
- Teaching and Learning in a variety of Pathways
- Utilizing D2L and other communication tools to engage parents

Actions taken as a result of your survey feedback:

- Acquire support for staff to identify adolescent stress and anxiety
- Creation of a wellness centre to provide school supports (social worker, SST, special education department head) and assist with timely connection to community supports.
- FNMI advisory group created to tap into student voice.
- We All Belong initiatives tackle student-identified barriers to inclusiveness.
