Dear Parents/Guardians,

We are excited to announce that Assumption College will be hosting guest speakers through the Ministry of Education's Career Coach Program, led by the non-profit HIEC. This program connects students with career development and industry professionals to explore career pathways and develop skills essential for future success.

Event Details

- Date: April 15th and 16th
- Time: Period 1 (Grade 9s); Period 2 (Grand 10s)

These guest speaker sessions are designed to:

- Connect directly to career development-related curriculum expectations.
- Help students explore real-world applications of their skills and interests.
- Provide insight into high-demand career opportunities.

Materials Provided

During the sessions, students may receive:

- Handouts with key information and resources.
- Literature about careers, education pathways, or the guest speaker's organization.
- Resources to reflect, discuss, and identify next steps in their career journey.

We believe these sessions will be a valuable opportunity for students to learn from experts, discuss, and ask questions about future career possibilities.
